Cat and Dog draw and color Elke and René Leisink Elke and René Leisink

English

This is Cat.

This is Dog.

Cat and Dog want to draw.

Cat and Dog want to color.

Cat and Dog want to make art.

Dog starts.

He takes a pencil and he takes a paper. The paper is a square.

First Dog draws an oval.

The oval is the body of Cat.

Wow, that is simple!

Then he draws two triangles on top of the oval.

The two triangles are the ears of Cat and he draws a black triangle in the oval.

The black triangle is the nose of Cat and he draws a line above the nose.

Now he draws the eyes and the eyebrows of Cat.

The eyes are two dots.

The eyebrows are two lines.

Wow, that is easy!

Then he draws the mouth of Cat.

The mouth is a line.

It looks like the letter 'w' and he draws the hairs of Cat.

Three hairs on the left side and three hairs on the right side.

The drawing is almost finished.

He draws the arms and legs of Cat.

The arms and legs are lines and he draws the toe of Cat.

The toes are circles and he draws the tail of Cat.

The tail is a long line.

At last he draws some stripes on the body of Cat and he colors the body orange.

Then the drawing is finished.

Wow, that is beautiful!

Now it is Cat's turn.

He takes a pencil and he takes a paper.

The paper is a rectangle.

First Cat draws an oval.

The oval is the body of Dog.

Wow, that is good!

Then he draws two black forms on top of the oval.

The two black forms are the ears of Dog and he draws a black circle in the oval.

The black circle is the nose of Dog and he draws a line above the nose.

Now he draws the eyes and the eyebrows of dog.

The eyes are two dots.

The eyebrows are two lines.

Wow, that is perfect!

Then he draws the mouth of Dog.

The mouth is a line.

The shape is again the letter 'w' and he draws some dots around the mouth of Dog.

Three on the left side and three on the right side.

The drawing is almost finished.

He draws the arms and legs of Dog.

The arms and legs are lines and he draws the toe of Dog.

The toes are circles and he draws the tail of Dog.

The tail looks like a flower.

At last he draws some black circles on the body of Dog and he colors the body yellow.

Then the drawing is finished.

Wow, that is wonderful!

Bye bye Cat.

Bye bye drawing of Cat.

Bye bye Dog.

Bye bye drawing of Dog.

and there is still so much to do"

About Biblioneef

We all want children to become readers – to have empathy for characters, big vocabularies and imaginations, and to be able to immerse themselves in another world through a book. Biblioneef places a strong emphasis on reading for pleasure; we believe children should have a sense of fun as they read. It should not be a chore, but an exciting activity, something to look forward to.

To achieve this, children need to be exposed to books with great stories. Books which help with children's literacy development, give access to information and education, and teach them to think for themselves – to make good decisions.

Biblioneef's goal is to make a profound impact on the lives of children and we are deeply committed to giving all children access to books. Biblioneef foundations provide new books to library projects for children who have no access to books. Books containing stories they can relate to and learn from.
